Inside!

Outstanding Performance

The powerful CN4 boasts GM Level 2 compatibility with 305 exceptionally authentic instrument sounds and 9 drum kits, all reproduced by an 80-Watt sound system. You can record and play Standard MIDI Files (SMF) with the 3.5" disk drive. Other great features include an easy 2-track recorder, a host of reverbs and effects, MIDI interface, and a USB interface for direct connection to a computer and the Internet. We've also included 88 Concert Magic songs so even non-players can experience the thrill of playing real music.

Alfred Inside

More than 6.5 million pianists have learned to play the piano with *Alfred's Basic Piano Course*. Now a new generation of pianists can learn using this proven method, but with a new practice partner - the Kawai digital piano. The CN4 features built-in piano pieces from Alfred's Basic and Adult lesson books. It's "Practice Made Perfect"... almost like having your teacher come home with you.

With exquisite tone and touch, powerful features, and "Alfred Inside", the CN4 is the perfect digital piano for any aspiring or accomplished pianist.
