CP95 Ensemble Piano

TOUCH

Kawai's new Advanced Hammer Action III brings the feel of a real grand piano to the CP95. Its graded hammer action design offers superb response and a smooth feel to satisfy even the most demanding professional.

TONE

The CP95 uses our critically-acclaimed Harmonic Imaging™ sound technology... the same technology used in all our award-winning digital pianos. Harmonic Imaging creates an acoustic piano sound of remarkable depth, expression and realism. You'll also be impressed with the other sounds of the CP95... Strings, Electric Piano, Organ – 256 sounds in all (GM2 Compatible).

RHYTHM AND ACCOMPANIMENT STYLES

For the fun and excitement of playing with a band or orchestra, the CP95 offers variety of rhythm and accompaniment styles that can be selected from 72 presets. Each style has an Intro/Ending, Fill-in pattern and one variation of the basic pattern.

1-2 Play

One. Select your favorite style. Two. Press the 1-2 Play button. Now play! The CP95 automatically sets the panel settings (sound, tempo, etc.) to match the style you select.
