More...

The HS-22 features 18 exceptionally authentic instrumental sounds reproduced by a powerful 80 Watt, 4 speaker stereo sound system. To further enhance the sound of the HS-22, we have added a unique port and sound dispersion system. The HS-22 is packed full of other great features including a built-in metronome, recorder, dual mode, reverbs and effects, MIDI interface and three pedals. We've even included a serial PC interface for direct connection to a personal computer or the Internet!

All this, and much more, makes the HS-22 the perfect digital piano for home, school, church or studio.
